Where Do the Candidates Stand on Life?

Roy Blunt

Jason Kander

Abortion on Demand

Roy Blunt is pro-life. He opposes abortion on demand, and supports protection for unborn children.

Jason Kander supports a policy of abortion on demand, which allows abortion for any reason.

Roy Blunt supports a bill to ban dismemberment abortions, a common and brutal method of abortion in which the living unborn child is torn apart limb from limb.

Jason Kander voted against a bill with "restrictions on late-term abortions" while in the Missouri House of Representatives.

Pain-Capable Unborn Child Protection Act

Roy Blunt co-sponsored and voted to advance the Pain-Capable Unborn Child Protection Act (H.R. 36).

Jason Kander, as a state Representative, voted against Missouri's Pain-Capable Unborn Child Protection Act (H.B. 213, 5/12/11).

Obamacare Health Care Law

Roy Blunt voted to repeal the Obamacare law. He is committed to reversing the abortion-expanding and rationing effects of that law.

Jason Kander supports Obamacare, which provides government funding for insurance plans that pay for abortion on demand, and will lead to the rationing of lifesaving medical treatments.
