

## Where Do the Candidates for Governor Stand on Abortion

**Mike Parson**

**Nicole Galloway**

- ✓ “Holding my new granddaughter in my arms is a precious reminder that all life must be respected and protected, and each child must be given the opportunity to reach their God-given potential. In Missouri, we stand for life, protecting women’s health, and advocating for the unborn. I believe that all life has value and is worth protecting,” Governor Parson said on receiving Missouri Right to Life PAC’s endorsement.
- ✓ In 2019, Governor Parson signed one of the strongest pro-life measures in the country. The Missouri Stands for the Unborn Act, HB 126, prohibits ending an innocent child’s life because of a Down Syndrome diagnosis, the sex of the child, or the race of the child. Bans abortion when a baby has a heartbeat. The legislation strengthened parental or guardian consent for an abortion and aided pregnancy resource centers, which provide essential services for women with unexpected pregnancies.
- ✗ Nicole Galloway has received the enthusiastic endorsement of three notorious pro-abortion groups who promote abortion for the full nine months of pregnancy - Planned Parenthood, National Abortion Rights Action League (NARAL), and Emily’s List.
- ✗ NARAL has called Galloway a “reproductive freedom champion.”
- ✗ Planned Parenthood has said Missourians can trust Nicole Galloway to protect “their right to access health care, including safe legal abortion....”
- ✗ Endorsements by pro-abortion radicals include support for unlimited abortion and support for tax-payer funded abortion.
