MRL STATE PAC EXCLUSIVELY ENDORSES RICK BRATTIN FOR MO STATE SENATE DISTRICT 31 IN 2024 REPUBLICAN PRIMARY ELECTION

The Missouri Right to Life State Political Action Committee (MRL State PAC) today issues its exclusive and singular endorsement of Rick Brattin for Missouri Senate District 31 in the August 6, 2024 Republican Primary Election

Statement from Dave Plemmons, MRL PAC Chairman:

The important role that a Missouri State Senator fulfills in working to successfully enact legislation impacts every area of our lives. Therefore, it is vital that our Missouri State Senators be proven and committed Pro-Life leaders who will advocate for the protection of Missouri citizens from inception to natural death. The Missouri Legislature has the responsibility every year, under the Missouri Constitution, to pass a budget. Pro-life Missourians must champion legislators who are committed to working to ensure that laws are passed that prohibit public funding from being appropriated to abortion providers, such as Planned Parenthood.

As a current Missouri State Senator (Senate District 31), past State Representative (2010-2018), former auditor of Cass County, United States Marine Corps veteran, business owner, farmer, husband, and father, Rick Brattin's conservative, pro-life and pro-family values are deeply rooted. Rick and his family are Christians and members of Abundant Life Church in Lee's Summit. Rick and his wife, Athena, reside in Harrisonville with their five amazing children: Mariah, Kayla, Rick, Garrett and Hannah. He is committed to protect and better the lives of Missourians--born and unborn.

Rick Brattin is the State Senator for District 31 that Missouri needs to continue to passionately and pro-actively lead for life to protect Missourians at every age and stage of development.

It is for these reasons MRL State PAC is proud to issue its exclusive and singular endorsement of Rick Brattin for Missouri State Senate District 31 in the August 6, 2024 Republican Primary Election.
